The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for a sanitary sewer project in Lorain County, Ohio in FY 2024. The entities to receive funding for this project are the **Lorain County Commissioners, located at 226 Middle Avenue, Elyria, Ohio 44035.**

The funding would be used to support a new sanitary sewer line from the wastewater treatment plant in Lorain to allow for new sewer tie-ins, reducing septic systems, while supporting future economic development opportunities in Lorain County. This project is an appropriate use of taxpayer funds because it will provide the residents of Lorain County with modernized sewer services and will allow for the growth of existing businesses while kickstarting new growth and development opportunities.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

I hereby certify that this request will be made publicly available on my Official Website as required by the House Appropriations Committee's policy that only posted requests will be considered.

Sincerely,

Robert E. Latta
Member of Congress
